

Quality Policy Statement

Gault Engineering is committed to operate every aspect of the business to those standards that offer the highest possible quality of service to all clients.

We aim to:

Understand our customer/client needs and expectations and continuously improve our service to facilitate growth

Provide a high level of service to our customers/clients with as minimum cause for complaint as possible

Ensure that when complaints are received, they will be attended to in a timely manner with a view to eliminate the root cause and prevent recurrence

Maintain a healthy constructive work environment that enables personnel to produce optimal output

Continually comply with the requirements of ISO 9001:2000 and improve the effectiveness of our Quality Management System
